Preliminary Market Consultation
(Article 35-A of the Public Procurement Code)

Metropolitano de Lisboa, E.P.E.

**Opening of public contract formation procedure for the leasing
of rolling stock and signaling equipment**

Following the **Resolution of the Council of Ministers no. 44/2018, of April 24**, Metropolitano de Lisboa, E.P.E. hereby announces that it will launch the contract formation procedure for the operational lease of rolling stock and railway signaling equipment.

Prior to the opening of the procedure, Metropolitano de Lisboa, E.P.E. intends to carry out a preliminary market consultation for potential economic agents interested in participating in the contract formation procedure, under the terms and for the purposes of the provisions of article 35-A of the Public Contracts Code.

An informal consultation session will be held in the auditorium of the Metropolitano de Lisboa, E.P.E., at the Alto dos Moinhos metro station on **June 21, 2018, from 3 p.m. to 5 p.m.**

The consultation session shall be exclusively conducted in the Portuguese language and shall be reserved for all economic operators potentially interested in participating in the contract formation procedure for the operational lease of rolling stock and railway signaling equipment.

Interested parties must demonstrate their interest in participating in the preliminary consultation until **June 19, 2018**, through an electronic message sent to the address consulta.preliminar@metrolisboa.pt, to which should be attached a digitized version of letter of the interested entity indicating their representatives to attend this session.

Until **June 20**, the Metropolitano de Lisboa, E.P.E. will confirm the registration for the preliminary consultation session through a message sent to the electronic address used to present the expression of interest in participating in the preliminary consultation to the market.
